What is iUSEpass?

iUSEpass is a Public Transport Victoria (PTV) scheme for discounted travel on trains, trams and buses in Victoria. iUSEpass entitles eligible students to a half price PTV pass, which lasts for one year from the time you 'touch on'.

Is iUSEpass right for you?

Before applying, check the infographic on page 2 to make sure having an iUSEpass will be of benefit to you.

To be eligible for an iUSEpass you must have a student card and be:

- an international student or New Zealand citizen/permanent resident, **and**
- studying full-time, i.e. 36 credit points (higher education programs) or at least 270 hours (vocational education programs) in each semester, **and**
- enrolled in either a full-time undergraduate (bachelor degree or associate degree) or higher vocational education (advanced diploma or diploma) program, **or**
- currently enrolled in a vocational education certificate level program and have a future commitment, as part of a package offer, to study a program that is eligible for an iUSEpass, **or**
- currently enrolled in an EUCOS program and applying for an iUSEpass up to 12 weeks prior to commencing a program that is eligible for an iUSEpass.

Note: All students in the final semester of their final RMIT program are not eligible for an iUSEpass. International students enrolled in only one semester are not eligible for an iUSEpass unless they also have an offer in iApply or Study Link for a future eligible program.
